

THE LYNX

Forever

Lincoln College 1981-82

PASSING TIME

How quickly pass the days and years.
Time never waits for man.

Unceasingly the minutes fly
To fill a waiting span.

How happy he who may look back,
With pleasure and content,

Upon the years forever gone
And feel they were well spent;

And still remember present time
Will only shortly last,

And then will be, however lived,
A memory of the past.

SANDY CARICH

By Jill Hogan

Sandy Carich was an adventurer. She was always looking for excitement. A day did not go by without her playing a game or two of Acee Ducee and bopping around campus with her headband.

Some of Sandy's specialties that we may never forget were, for one, her Roller-skating down the hall of Olin-Sang. For a girl who tried so hard for an A from room inspection, she sure wound up in the trash can a lot.

It was evident how happy Sandy was to be here. She had made some very special friends, and found a place where she belonged.

One of Sandy's favorite things in life was poetry. One of her favorite poems was written by Gordon Lightfoot . . .

I wish you
good spaces
in the far away places
you go.

If it rains
or it snows,
may you be safe
and warm . . .

And if you need
somebody sometime
you know I will
always be there.
